

STUDENT GUIDANCE REQUESTS

- Please do not write one request in relation to more than one subject.
- Please ensure that you have chosen the correct type for your requests. Replies to requests with irrelevant types may take longer to respond to.
- Instead of writing a request in relation to a subject where a solution can be found with your supervisor, contact your supervisor directly, as this way you will be able to find a solution to your problem quicker.
- You can create a new request every 48 hours.
